

## Trainer Certification Course Syllabus

### Course Overview

The Trainer Certification course will pride attendees with the opportunity to take a deep dive into the Clear Touch hardware and software solutions. Centered around a hands-on-approach, attendees will be able to develop a custom Professional Development (PD) plan, embedded with best practices for adult learners. Each day of the course, the Clear Touch Trainer will provide dedicated time for attendee reflection and questions.

### Resources

Resources to support continued learning and development are available in the Clear Touch Academy Trainer Certification Course.
