Mobile: Take the show on the road

Versatile: Designed to fit single-column Clear Touch stands

Qualified: CE & FCC certifications

Clear: Battery life indicator

Battery

Battery cells	4
Battery	300W
Battery type	Lithium Ion
Battery certifications	CE, FCC, UL

Inverter

Inverter	600W
Inverter certifications	CE, FCC

Product Specifications

Dimensions	43.7" x 27.7" x 4.1"
Weight	46.83 lbs

Features

Protective Features	Overcurrent protection, short circuit protection, high and low temperature protection, overvoltage protection, under voltage protection
Estimated power consumption *(Panel with internal PC and electric stand)*	4 hours

Environmental Conditions

Operating temperature range	1-5-+40°C
Humidity	0-98%, relative humidity, not set
Altitude	≤3000m Output full load below 1000m
Heat-dissipating method	Forced air cooling
