CAMPFIRE

The Interactive Games Software Suite for Meaningful Entertainment & Mind Engagement

Campfire is a touchscreen software suite designed for meaningful entertainment and mental stimulation. Featuring a vast library of engaging, collaborative, and easy-to-use games, Campfire helps users stimulate their minds, sharpen focus, and unleash creativity, all while having fun.

4 KEY DIFFERENTIATORS

40+ INTERACTIVE GAMES

A robust library covering puzzles, early learning, drawing, and multi-user challenges.

TOUCH-NATIVE & INTUITIVE

Optimized for large-format touchscreen displays and ease of use.

MULTI-USER FOCUS

Encourages social interaction and teamwork, allowing several players to collaborate simultaneously.

CROSS-SEGMENT VERSATILITY

Built to deliver high-value experiences in Retail, Hospitality, Healthcare & Education.

TRANSFORM YOUR TOUCHSCREEN DISPLAY INTO A HUB OF STIMULATING INTERACTION

ENDORSED BY EXPERTS

Trusted by public and private organizations worldwide, Campfire is instantly adaptable to your specific environment, ensuring a powerful impact on engagement and well-being.
